I think as a just in case it would probably be good to invite him. Thanks.

Richard Mednick just accepted the meeting invite. Do you still want me to invite his boss?

Hey Chris,  
Could you invite Dean Ingemansen (Ingemansen.Dean@epa.gov) to the meeting? He is Richard's manager and will fill in if Richard can't attend. Thanks!

I'm not sure about Richard, but I know Helen will be on leave during that time, so she won't be on that call. I'll let her know what we discussed.

Hi Richard,  
I'm glad we were able to make this date/time work for all. So far I have received emails accepting the invite from the following at EPA:  
Calvin Terada  
Kira Lynch  
Julie Wroble  
Richard Francis  
Still waiting for Helen and Richard Mednick to accept.  
Thanks,  
Chris

Hi Chris,  
Thanks so much for getting back to me on the date and time. I forwarded the email chain to Sarah Felton, Calvin's Office Manager, so it should be doubly on his radar. Unfortunately I can't vouch for anyone else but me, schedule-wise, but if the top brass are meeting, then generally all of us make the time. In any case, I'll be there if no one else is, haha.

Hi Richard,

I was told that Dec 14, 10-12 will work for us. I will send out a meeting invite for all and include everyone that participated in the meeting on 17 Nov, except for Robert Tan. The list I have for EPA includes the following:

Calvin Terada  
Kira Lynch  
Richard Mednick  
Helen Bottcher  
Richard Francis  
Julie Wroble

Please let me know if any changes are needed.

Thanks,  
Chris

Hi Richard,

Unfortunately, our Commander and Liza are no longer available on 14 Dec. I sent the available dates a month ago, so schedules have filled up. Please let me know if Calvin is available any other times and I'll check calendars on our side.

Thanks,

Chris

Hi Chris,

It looks like Dec 14th from 10-12 (not 9-12) works for Calvin. He will be on (b)(6) on the 22nd, though. May be best to try to block off the 14th.

Importance: High

Hi Chris,

When is the soonest availability you have to discuss the logistics for the joint consultation meeting? According to management, we would like to target the week of November 15th for the consultation. As such, we need to start working with you and Yakama to pin final dates to the calendar.

Thanks,

Robert Tan
